The Hon'ble Minister for Agriculture,
Government of Madras.

Sir,

Sub: Memorial presented to the Hon'ble Minister for Agriculture by the Panchayat Board of Thekkatte Coondapoor Taluk (South Kanara Dt) requesting for the formation of a road from Thekkatte Via Mallady - Ulthur to Hunsemaktia.

I am enclosing herewith a memorial presented to the Hon'ble Minister for Agriculture by the Panchayat Board of Thekkatte of Coondapoor Taluk of South Kanara District durin his visit to Coondapoor Taluk in Feb. 1953. The only reques made by the Panchayat Board onbehalfofthe villagers in their memorial is to form a new road from Thekkatte via Mallady-Ulthur to Hunsemaktia. It is urged in the memorial that on account of the absence of such a road the villagers, particularly the agriculturists are put to great hardship and inconvenience. It is understood that there is already a semblence of a road and whatis required is to have it as a pucca which may not cost much to the Government.

I request that you may kindly move the concerned department in the matter and do the needful.

Thanking you,

Yours faithfully,

Madras,
21-3-1953.

Copy of Letter No.Roc.877-A-53-dated 4th December 1953 from the Additional District Panchayat Officer, South Kanara, Mangalore, to the Inspector of Municipal Councils and Local Boards, Madras-1.

Sub:; Communication - Thekkatte Panchayat - South Kanara District - Road from Thekkatte to Hansamakki formation of - Proposal - Called for regarding.

Ref:- From the Inspector of Municipal Councils and and Local Boards, Madras-1, Roc.No.22791-53-dated 26-11-1953.

Regarding the formation of a road leading from Thekkatte to Hansemakki, I beg to state that the question of formation of the road does not arise as a road already exists as reported by the Panchayat Supervisors.

The Panchayat Supervisor after visiting the site states that 7 furlongs of the road is maintained by the Thekkatee Panchayat. The President of Thekkatte Panchayat has informed him that the request of his panchayat is only that the road within the Thekkatte Panchayat area should be gravelled. Of the balance, 1½ miles of road is maintained by the District Board. The remaining four miles is under the jurisdiction of Kalavara Panchayat.

The Panchayat Supervisor has prepared 2 estimates one for metalling the road within Thekkatte Panchayat area and another for improving the road in Kalavara Panchayat area. The estimated cost is Rs.3,200/- and Rs.2,000/- respectively.

The former estimate has been transmitted to the Divisional Engineer, Highways, Mangalore, for countersignature as it exceeds Rs.2,000/- Soon after the receipt of the same from the Divisional Engineer (Highways) the estimate will be sent to the Panchayat with instructions to apply for half grant to the Inspector of Local Boards, Madras, for gravelling the road.

The letter estimate has been forwarded to the Kalavara Panchayat to execute the work from the panchayat funds itself I am of opinion that the Parchayat can undertake the work from its own funds.
